

**IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF ILLINOIS  
EASTERN DIVISION**

GLITCH PRODUCTIONS PTY LTD,

Plaintiff,

v.

Case No. 26-cv-04944

THE PARTNERSHIPS and  
UNINCORPORATED ASSOCIATIONS  
IDENTIFIED ON SCHEDULE “A,”

Defendants.

**COMPLAINT**

Plaintiff Glitch Productions Pty Ltd (“Glitch” or “Plaintiff”) hereby brings the present action against the Partnerships and Unincorporated Associations Identified on Schedule A attached hereto (collectively, “Defendants”) and alleges as follows:

**I. JURISDICTION AND VENUE**

1. This Court has original subject matter jurisdiction over Glitch’s claims pursuant to the provisions of the Lanham Act, 15 U.S.C. § 1051, *et seq.*, the Copyright Act 17 U.S.C. § 501, *et seq.*, 28 U.S.C. § 1338(a)-(b) and 28 U.S.C. § 1331.

2. Venue is proper in this Court pursuant to 28 U.S.C. § 1391, and this Court may exercise personal jurisdiction over Defendants because Defendants structure their business activities to target consumers in the United States, including Illinois, through at least the fully interactive e-commerce stores operating under the aliases identified on Schedule A attached hereto (the “Seller Aliases”). Specifically, Defendants have targeted sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers; offer shipping to the United States, including Illinois; accept payment in U.S. dollars; and, on information and belief,

sell products using infringing and counterfeit versions of Glitch’s federally registered trademarks and/or unauthorized copies of Glitch’s federally registered copyrighted works, including the distinctive characters embodied therein (collectively, the “Unauthorized Products”) to residents of Illinois. Each of the Defendants is committing tortious acts in Illinois, is engaging in interstate commerce, and has wrongfully caused Glitch substantial injury in the state of Illinois.

## II. INTRODUCTION

3. Glitch filed this case to prevent e-commerce store operators who trade upon Glitch’s reputation and goodwill from further selling and/or offering for sale Unauthorized Products. Defendants create e-commerce stores under one or more Seller Aliases and then advertise, offer for sale, and/or sell Unauthorized Products to unknowing consumers. Defendants’ activities, occurring at the same time and in the same retail space and manner as one another, blend together to create a single negative impression on consumers such that they constitute the same occurrence or series of occurrences. Defendants take advantage of a set of circumstances, including the anonymity and mass reach afforded by the Internet and the cover afforded by international borders, to violate Glitch’s intellectual property rights with impunity. Defendants attempt to avoid liability by operating under one or more Seller Aliases to conceal their identities, locations, and the full scope and interworking of their operation. Glitch is forced to file this action to combat Defendants’ counterfeiting of its registered trademarks and infringement of its registered copyrighted works, as well as to protect consumers from purchasing Unauthorized Products over the Internet. Glitch has been, and continues to be, irreparably damaged through consumer confusion and dilution of its valuable trademarks and infringement of its copyrighted works because of Defendants’ actions and therefore seeks injunctive and monetary relief.

### III. THE PARTIES

4. Plaintiff, Glitch Productions Pty Ltd, was formed in 2017 and is an Australian web animation studio and entertainment production and distribution company specializing in the development, production, and distribution of entertainment content. Plaintiff has its principal place of business in Australia.

5. Plaintiff is an indie animation studio that does it all, from pre-production to post-production, marketing to management. Plaintiff is known for sharing fun and whimsical stories that primarily appeal to teenagers and young adults. While lighthearted, these stories also respect the audience's ability to appreciate mature plots and complex themes. Plaintiff is also largely recognized for its dedication to creating these stories through 3D animation, an art style not typically associated with traditional animation. By its unique animation style and its approach to storytelling, Plaintiff has amassed over 13 million subscribers to its YouTube channel. Plaintiff's roster of properties includes famous web series such as, Murder Drones, Meta Runner, Sunset Paradise, SMG4, and the subject of this action, The Amazing Digital Circus.

6. *The Amazing Digital Circus*, created by Gooseworx, follows a cast of amnesiac humans that are trapped in digital, toy-like, avatar bodies which inhabit a digital circus. Caine, the supposed ringmaster of the digital world, thinks of random tasks, which seem menial on the surface but end up being life-threatening in the end, for the characters to do. These tasks are designed to stimulate the casts' minds to distract them from the fact that they are forever trapped inside the digital world. Pomni, the newest addition to the cast, struggles between finding a way to escape and helping her fellow prisoners, who have already given up on the notion, in these dangerous tasks.

7. *The Amazing Digital Circus* is one of Glitch’s most popular shows. *The Amazing Digital Circus*’s pilot episode released on YouTube on October 13, 2023, which has since been watched over 350 million times. Some of the characters and character names made famous by *The Amazing Digital Circus* include, but are not limited to:<sup>1</sup>

<p><b>Caine</b></p>	
---------------------	---

---

<sup>1</sup> The characters contained within the table are not an exhaustive list of the characters embodied in Glitch’s copyrighted works. This table is included only to provide examples of the characters found on the infringing products offered for sale or sold by Defendants. Regardless of any changes in their design, each of these characters, among others contained within Glitch’s copyrighted works, have always maintained their distinctive qualities and unique elements of expression.

<p><b>Gangle</b></p>	
<p><b>Jax</b></p>	

<p><b>Kinger</b></p>			
<p><b>Pomni</b></p>			

<p><b>Ragatha</b></p>			
<p><b>Zooble</b></p>			

<p><b>The Creature / Angel</b></p>	
<p><b>Gummigoo</b></p>	
<p><b>Ghostly</b></p>	

8. Since the release of the pilot, *The Amazing Digital Circus* has amassed a large and dedicated fan base that aims to unravel the mysteries created by the pilot episode. In October of 2024, *The Amazing Digital Circus* also began streaming on Netflix.

9. Before Defendants' acts described herein, Glitch launched *The Amazing Digital Circus* lines of products bearing its famous THE AMAZING DIGITAL CIRCUS and ANIMATEZ marks. Glitch has also registered a multitude of works related to *The Amazing Digital Circus* and the characters embodied therein with the United States Copyright Office (the "Glitch Copyrighted Works"). True and correct copies of the records from the U.S. Copyright Office website for the Glitch Copyrighted Works are attached hereto as **Exhibit 1**. The Glitch Copyrighted Works embody the distinctive characters found in paragraph 7 above.

10. Among the exclusive rights granted to Glitch under the U.S. Copyright Act are the exclusive rights to reproduce, prepare derivative works of, distribute copies of, and display the Glitch Copyrighted Works to the public. Since first publication, the Glitch Copyrighted Works

have been used on Glitch’s products and are featured on Glitch’s official website, [www.glitchproductions.store](http://www.glitchproductions.store).

11. Glitch markets and sells a variety of products, including plushies, posters, clothing, figurines, keychains, pins, vinyl records, stickers, acrylic stands, notebooks, pens, and hats (collectively, “Glitch Products”).

12. Glitch Products have become enormously popular and even iconic, driven by Glitch’s quality standards and innovative designs. Among the purchasing public, Glitch Products are instantly recognizable as such. The Amazing Digital Circus brand has become a global success and Glitch Products are among the most recognizable in the world. Glitch Products are distributed and sold to consumers through Plaintiff’s official website, [www.glitchproductions.store](http://www.glitchproductions.store).

13. Glitch has continuously used the THE AMAZING DIGITAL CIRCUS and ANIMATEZ trademarks, and other trademarks, and has continuously sold products under its trademarks (collectively, the “Glitch Trademarks”). As a result of this continuous use as well as the fame and popularity of *The Amazing Digital Circus*, strong common law trademark rights have amassed in the Glitch Trademarks. Glitch’s use of the marks has also built substantial goodwill in the Glitch Trademarks. The Glitch Trademarks are famous marks and valuable assets of Glitch. Glitch Products typically include at least one of the Glitch Trademarks and/or Glitch Copyrighted Works.

14. The Glitch Trademarks are registered with the United States Patent and Trademark Office, a non-exclusive list of which is included below.

Recently, Glitch has identified many fully interactive e-commerce stores offering Unauthorized Products on online marketplace platforms such as Amazon.com, Inc. ("Amazon"), Dhgate.com ("DHGate"), eBay, Inc. ("eBay"), Fruugo.com Limited ("Fruugo"), Roadget Business PTE Ltd. ("SHEIN"), WhaleCo, Inc. ("Temu"), and Walmart, Inc. ("Walmart"), and Context Logic, Inc. d/b/a Wish.com ("Wish"), including the e-commerce stores operating under the Seller Aliases. The Seller Aliases target consumers in this Judicial District and throughout the United States. According to a report

prepared for The Buy Safe America Coalition, most infringing products now come through international mail and express courier services because of increased sales from foreign online infringers. *The Counterfeit Silk Road: Impact of Counterfeit Consumer Products Smuggled Into the United States*, prepared by John Dunham & Associates (**Exhibit 3**).

24. Because the infringing products sold by offshore online infringers do not enter normal retail distribution channels, the US economy lost an estimated 300,000 or more full-time jobs in the wholesale and retail sectors alone in 2020. *Id.* When accounting for lost jobs from suppliers that would serve these retail and wholesale establishments, and the lost jobs that would have been induced by employees re-spending their wages in the economy, the total economic impact resulting from the sale of infringing products was estimated to cost the United States economy over 650,000 full-time jobs that would have paid over \$33.6 billion in wages and benefits. *Id.* Additionally, it is estimated that the importation of infringing goods cost the United States government nearly \$7.2 billion in personal and business tax revenues in the same period. *Id.*

25. Furthermore, online marketplace platforms like those used by Defendants do not adequately subject new sellers to verification and confirmation of their identities, allowing infringers to “routinely use false or inaccurate names and addresses when registering with these e-commerce platforms.” **Exhibit 4**, Daniel C.K. Chow, *Alibaba, Amazon, and Counterfeiting in the Age of the Internet*, 40 NW. J. INT’L L. & BUS. 157, 186 (2020); *see also* report on “Combating Trafficking in Counterfeit and Pirated Goods” prepared by the U.S. Department of Homeland Security’s Office of Strategy, Policy, and Plans (Jan. 24, 2020), attached as **Exhibit 5**, and finding that on “at least some e-commerce platforms, little identifying information is necessary for a counterfeiter to begin selling” and that “[t]he ability to rapidly proliferate third-party online

marketplaces greatly complicates enforcement efforts, especially for intellectual property rights holders.” Infringers hedge against the risk of being caught and having their websites taken down from an e-commerce platform by establishing multiple virtual storefronts. **Exhibit 5** at p. 22. Since platforms generally do not require a seller on a third-party marketplace to identify the underlying business entity, infringers can have many different profiles that can appear unrelated even though they are commonly owned and operated. **Exhibit 5** at p. 39. Further, “[e]-commerce platforms create bureaucratic or technical hurdles in helping brand owners to locate or identify sources of [infringing products] and [infringers].” **Exhibit 4** at 186-187. Specifically, brand owners are forced to “suffer through a long and convoluted notice and takedown procedure only [for the infringer] to reappear under a new false name and address in short order.” *Id.* at p. 161.

26. Defendants have targeted sales to Illinois residents by setting up and operating e-commerce stores that target United States consumers using one or more Seller Aliases; offer shipping to the United States, including Illinois; accept payment in U.S. dollars; and, on information and belief, sell Unauthorized Products to residents of Illinois.

27. Defendants concurrently employ and benefit from similar advertising and marketing strategies. For example, Defendants facilitate sales by designing the e-commerce stores operating under the Seller Aliases so that they appear to unknowing consumers to be authorized online retailers, outlet stores, or wholesalers. E-commerce stores operating under the Seller Aliases appear sophisticated and accept payment in U.S. dollars via numerous methods, including credit cards, Amazon Pay, Payoneer, Stripe, and/or PayPal. E-commerce stores operating under the Seller Aliases often include content and images that make it very difficult for consumers to distinguish such stores from an authorized retailer. Glitch has not licensed or authorized Defendants to use

any of the Glitch Trademarks or to copy or distribute the Glitch Copyrighted Works, and none of the Defendants are authorized retailers of Glitch Products.

28. Many Defendants also deceive unknowing consumers by using the Glitch Trademarks without authorization within the content, text, and/or meta tags of their e-commerce stores to attract consumers using search engines to find websites relevant to Glitch Products. Other e-commerce stores operating under the Seller Aliases omit using the Glitch Trademarks in the item title to evade enforcement efforts while using strategic item titles and descriptions that will trigger their listings when consumers are searching for Glitch Products.

29. E-commerce store operators like Defendants commonly engage in fraudulent conduct when registering the Seller Aliases by providing false, misleading, and/or incomplete information to e-commerce platforms to prevent discovery of their true identities and the scope of their e-commerce operation.

30. E-commerce store operators like Defendants regularly register or acquire new seller aliases for the purpose of offering for sale and selling Unauthorized Products. Such seller alias registration patterns are one of many common tactics used by e-commerce store operators like Defendants to conceal their identities and the full scope and interworking of their operation, and to avoid being shut down.

31. Defendants are collectively causing harm to Glitch's goodwill and reputation because the effect of their unlawful actions taken together amplifies each harm and creates a single negative consumer impression. Defendants' activities, occurring at the same time and in the same retail space and manner as one another, blend together to create a single negative impression on consumers such that they constitute the same occurrence or series of occurrences. The combination

of all Defendants engaging in the same illegal activity in the same time span causes collective harm to Glitch in a way that individual actions, occurring alone, might not.

32. E-commerce store operators like Defendants communicate with each other through QQ.com chat rooms and utilize websites, like sellerdefense.cn, that provide tactics for operating multiple online marketplace accounts and evading detection by brand owners. Websites like sellerdefense.cn also tip off e-commerce store operators like Defendants of new intellectual property infringement lawsuits filed by brand owners, such as Glitch, and recommend that e-commerce operators cease their infringing activity, liquidate their associated financial accounts, and change the payment processors that they currently use to accept payments in their online stores.

33. Infringers, such as Defendants, typically operate under multiple seller aliases and payment accounts so that they can continue operation in spite of Glitch's enforcement. E-commerce store operators like Defendants maintain off-shore bank accounts and regularly move funds from their financial accounts to off-shore accounts outside the jurisdiction of this Court to avoid payment of any monetary judgment awarded to Glitch.

34. Defendants are working to knowingly and willfully manufacture, import, distribute, offer for sale, and/or sell Unauthorized Products in the same transaction, occurrence, or series of transactions or occurrences. Defendants, without any authorization or license from Glitch, have knowingly and willfully used, and continue to use, the Glitch Trademarks and/or copies of the Glitch Copyrighted Works in connection with the advertisement, distribution, offering for sale, and/or sale of Unauthorized Products into the United States and Illinois over the Internet.

35. Defendants' unauthorized use of the Glitch Trademarks and/or Glitch Copyrighted Works in connection with the advertising, distribution, offering for sale, and/or sale of

Unauthorized Products into the United States, including Illinois, is likely to cause, and has caused, confusion, mistake, and deception by and among consumers and is irreparably harming Glitch.

**COUNT I  
TRADEMARK INFRINGEMENT AND COUNTERFEITING (15 U.S.C. § 1114)**

36. Glitch hereby re-alleges and incorporates by reference the allegations set forth in the preceding paragraphs.

37. This is a trademark infringement action against certain Defendants<sup>2</sup> based on their unauthorized use in commerce of counterfeit imitations of the Glitch Trademarks in connection with the sale, offering for sale, distribution, and/or advertising of infringing goods. The Glitch Trademarks are highly distinctive marks. Consumers have come to expect the highest quality from Glitch Products offered, sold, or marketed under the Glitch Trademarks.

38. Certain Defendants have sold, offered to sell, marketed, distributed, and/or advertised, and are still selling, offering to sell, marketing, distributing, and/or advertising products using counterfeit reproductions of the Glitch Trademarks without Glitch's permission.

39. Glitch owns the Glitch Trademarks. Glitch's United States registrations for the Glitch Trademarks are in full force and effect. Upon information and belief, certain Defendants have knowledge of Glitch's rights in the Glitch Trademarks and are willfully infringing and intentionally using infringing and counterfeit versions of the Glitch Trademarks. Those Defendants' willful, intentional, and unauthorized use of the Glitch Trademarks is likely to cause, and is causing, confusion, mistake, and deception as to the origin and quality of the Unauthorized Products among the general public.

---

<sup>2</sup> Count I applies to all Defendants who infringed the Glitch Trademarks, as outlined in Schedule A attached hereto.

40. Certain Defendants' activities constitute willful trademark infringement and counterfeiting under Section 32 of the Lanham Act, 15 U.S.C. § 1114.

41. Glitch has no adequate remedy at law, and if certain Defendants' actions are not enjoined, Glitch will continue to suffer irreparable harm to its reputation and the goodwill of the Glitch Trademarks.

42. The injuries and damages sustained by Glitch have been directly and proximately caused by certain Defendants' wrongful reproduction, use of advertisement, promotion, offering to sell, and/or sale of Unauthorized Products.

**COUNT II**  
**FALSE DESIGNATION OF ORIGIN (15 U.S.C. § 1125(a))**

43. Glitch hereby re-alleges and incorporates by reference the allegations set forth in the preceding paragraphs.

44. Certain Defendants'<sup>3</sup> promotion, marketing, offering for sale and/or sale of Unauthorized Products has created and is creating a likelihood of confusion, mistake, and deception among the general public as to the affiliation, connection, or association with Glitch or the origin, sponsorship, or approval of the Unauthorized Products by Glitch.

45. By using the Glitch Trademarks in connection with the offering for sale and/or sale of Unauthorized Products, certain Defendants create a false designation of origin and a misleading representation of fact as to the origin and sponsorship of the Unauthorized Products.

46. Certain Defendants' false designation of origin and misrepresentation of fact as to the origin and/or sponsorship of the Unauthorized Products to the general public involves the use of counterfeit marks and is a willful violation of Section 43 of the Lanham Act, 15 U.S.C. § 1125.

---

<sup>3</sup> Count II applies to all Defendants who infringed the Glitch Trademarks, as outlined in Schedule A attached hereto.

47. Glitch has no remedy at law and will continue to suffer irreparable harm to its reputation and the associated goodwill of The Amazing Digital Circus brand if certain Defendants' actions are not enjoined.

**COUNT III  
COPYRIGHT INFRINGEMENT OF UNITED STATES COPYRIGHT  
REGISTRATIONS (17 U.S.C. §§ 106 and 501)**

48. Glitch hereby re-alleges and incorporates by reference the allegations set forth in the preceding paragraphs.

49. The Glitch Copyrighted Works constitute original works and copyrightable subject matter pursuant to the Copyright Act, 17 U.S.C. § 101, *et seq.*

50. Glitch owns the Glitch Copyrighted Works. Glitch has complied with the registration requirements of 17 U.S.C. § 411(a) for the Glitch Copyrighted Works. The Glitch Copyrighted Works are protected by copyright registration numbers which were duly issued to Glitch by the United States Copyright Office. At all relevant times, Glitch has been, and still is, the owner of all rights, title, and interest in the Glitch Copyrighted Works, which have never been assigned, licensed, or otherwise transferred to Defendants.

51. The Glitch Copyrighted Works are published on the internet and available to Defendants online. As such, Defendants had access to the Glitch Copyrighted Works via the internet.

52. Without authorization from Glitch, or any right under the law, certain Defendants<sup>4</sup> have deliberately copied, displayed, distributed, reproduced, and/or made derivative works incorporating the Glitch Copyrighted Works on e-commerce stores operating under the Seller Aliases and the corresponding Unauthorized Products. Certain Defendants' derivative works are

<sup>4</sup> Count III applies to all Defendants who infringed the Glitch Copyrighted Works, as outlined in Schedule A attached hereto.

virtually identical to and/or are substantially similar to the look and feel of the Glitch Copyrighted Works. Such conduct infringes and continues to infringe the Glitch Copyrighted Works in violation of 17 U.S.C. § 501(a) and 17 U.S.C. §§ 106(1)–(3), (5).

53. Certain Defendants reap the benefits of the unauthorized copying and distribution of the Glitch Copyrighted Works in the form of revenue and other profits that are driven by the sale of Unauthorized Products.

54. Certain Defendants have unlawfully appropriated Glitch's protectable expression by taking material of substance and value and creating Unauthorized Products that capture the total concept and feel of the Glitch Copyrighted Works, including the distinctive characters embodied therein.

55. On information and belief, the certain Defendants' infringement has been willful, intentional, purposeful, and in disregard of and with indifference to Glitch's rights.

56. Certain Defendants, by their actions, have damaged Glitch in an amount to be determined at trial.

57. Certain Defendants' conduct is causing and, unless enjoined and restrained by this Court, will continue to cause Glitch great and irreparable injury that cannot fully be compensated or measured in money. Glitch has no adequate remedy at law. Pursuant to 17 U.S.C. § 502, Glitch is entitled to a preliminary and permanent injunction prohibiting further infringement of the Glitch Copyrighted Works.

#### **PRAYER FOR RELIEF**

WHEREFORE, Glitch prays for judgment against Defendants as follows:

- 1) That Defendants, their affiliates, officers, agents, servants, employees, attorneys, confederates, and all persons acting for, with, by, through, under, or in active concert with them be temporarily, preliminarily, and permanently enjoined and restrained from:

to be sold or offered for sale, and which bear any of the Glitch Trademarks, or any reproductions, counterfeit copies or colorable imitations thereof and/or which bear the Glitch Copyrighted Works;

- 3) That certain Defendants account for and pay to Glitch all profits realized by those Defendants by reason of those Defendants' unlawful acts herein alleged, and that the amount of damages for infringement of the Glitch Trademarks be increased by a sum not exceeding three times the amount thereof as provided by 15 U.S.C. § 1117;
- 4) In the alternative, that Glitch be awarded statutory damages for willful trademark counterfeiting pursuant to 15 U.S.C. § 1117(c)(2) of \$2,000,000 for each and every use of the Glitch Trademarks;
